

Kocka

BBC micro:bit

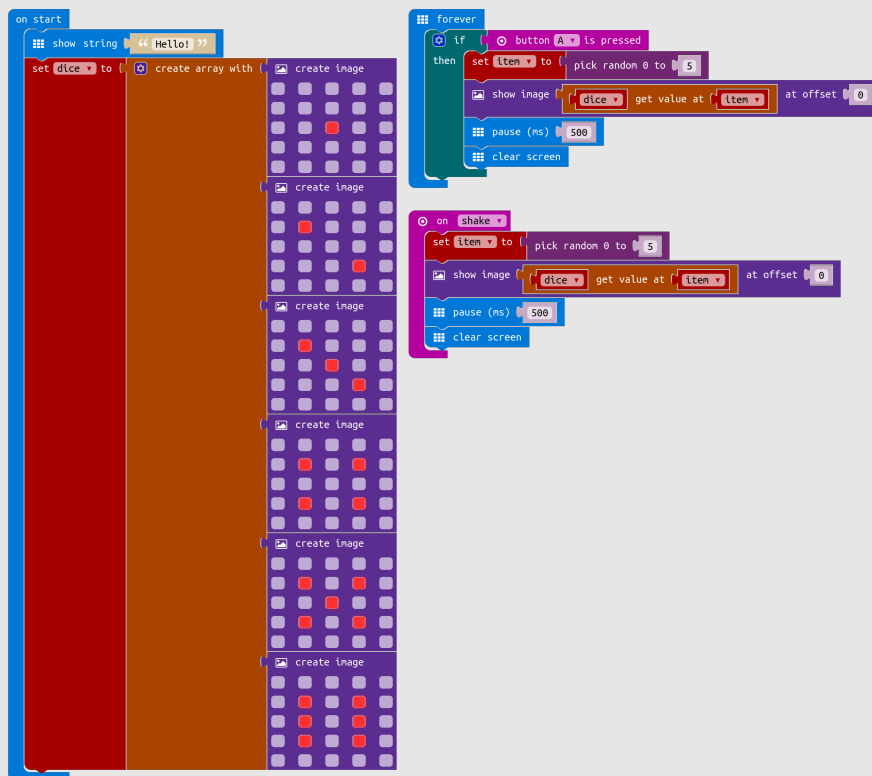

BBC micro:bit bomo spremenili v igralno kocko.

Definicija problema

Napiši program, ki bo na matriki diod prikazal naključno lice igralne kocke, ko napravico stresemo oziroma, ko pritisnemo gumb A.

Napotek

Rešujete na spletni strani micro:bit: <https://makecode.microbit.org>
