

Kocka zvok

BBC micro:bit

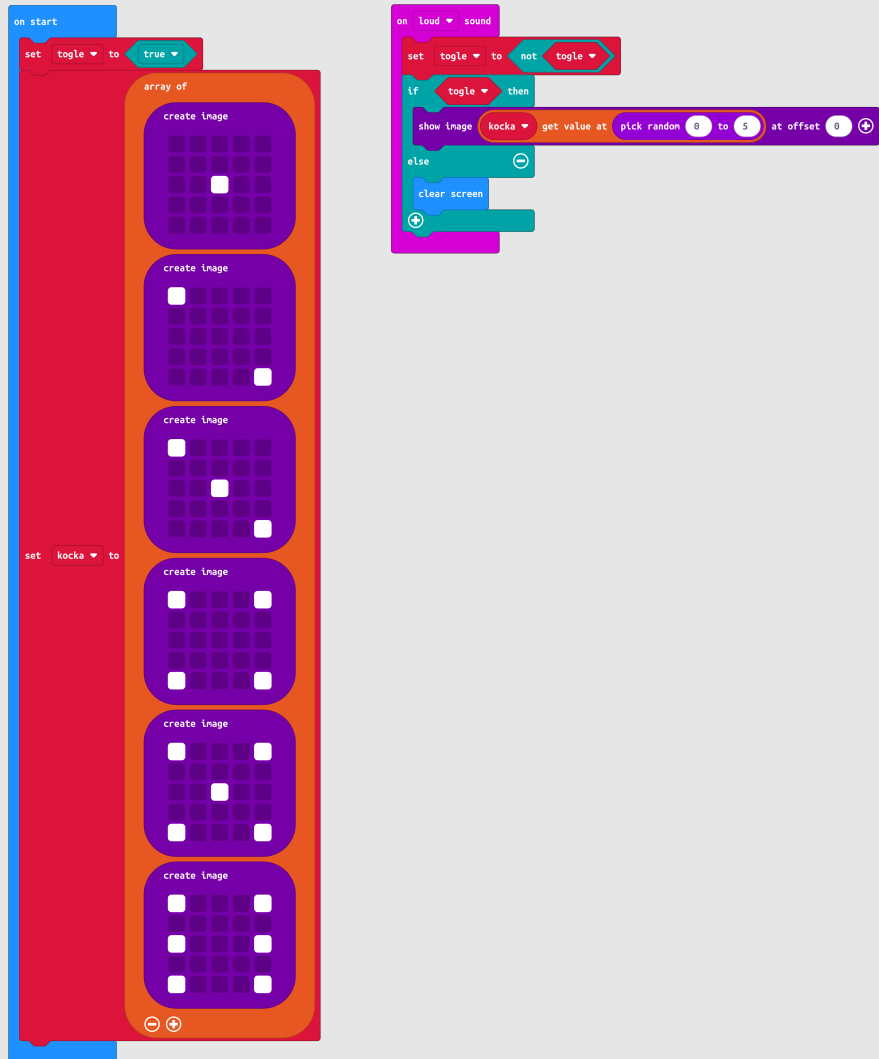

BBC micro:bit bomo spremeneili v igralno kocko.

Definicija problema

Napiši program, ki bo na matriki diod prikazal naključno lice igralne kocke, ko plosknemo ob napravi. Ko plosknemo drugič se diode ugasnejo.

Napotek

Rešujete na spletni strani micro:bit: <https://makecode.microbit.org>
