Longitude, Latitude

Problems

1.

Longitude, Latitude?

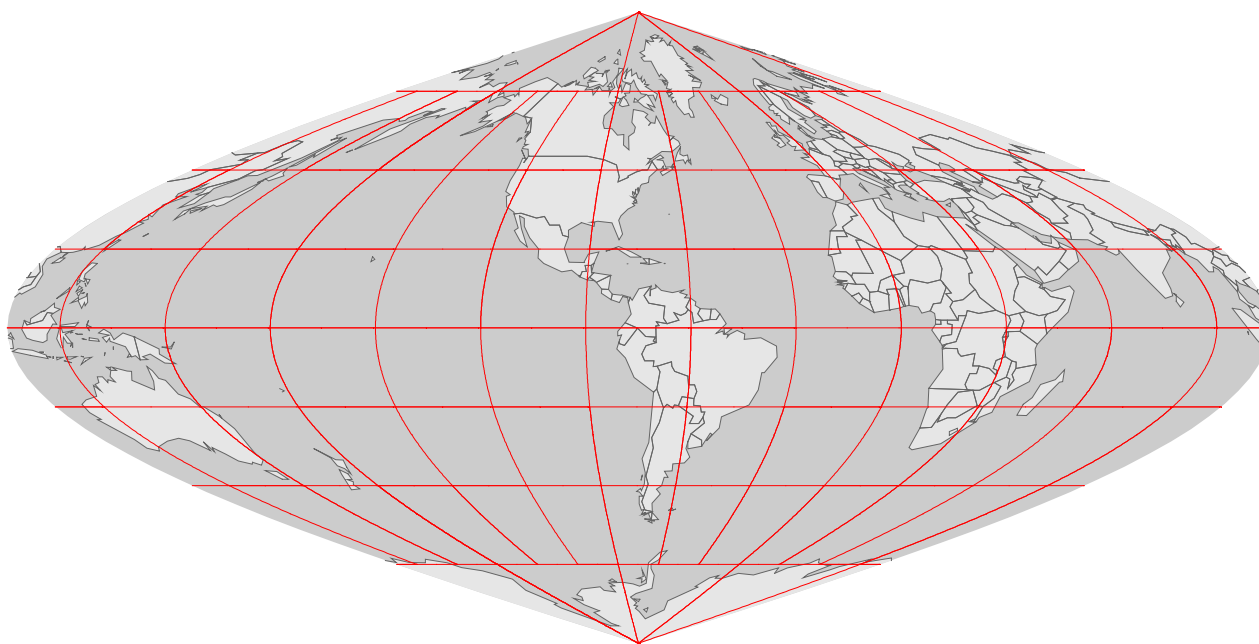

Add longitudes along ekvator and latitudes along Greenwich meridian.

2.

Longitude, Latitude?

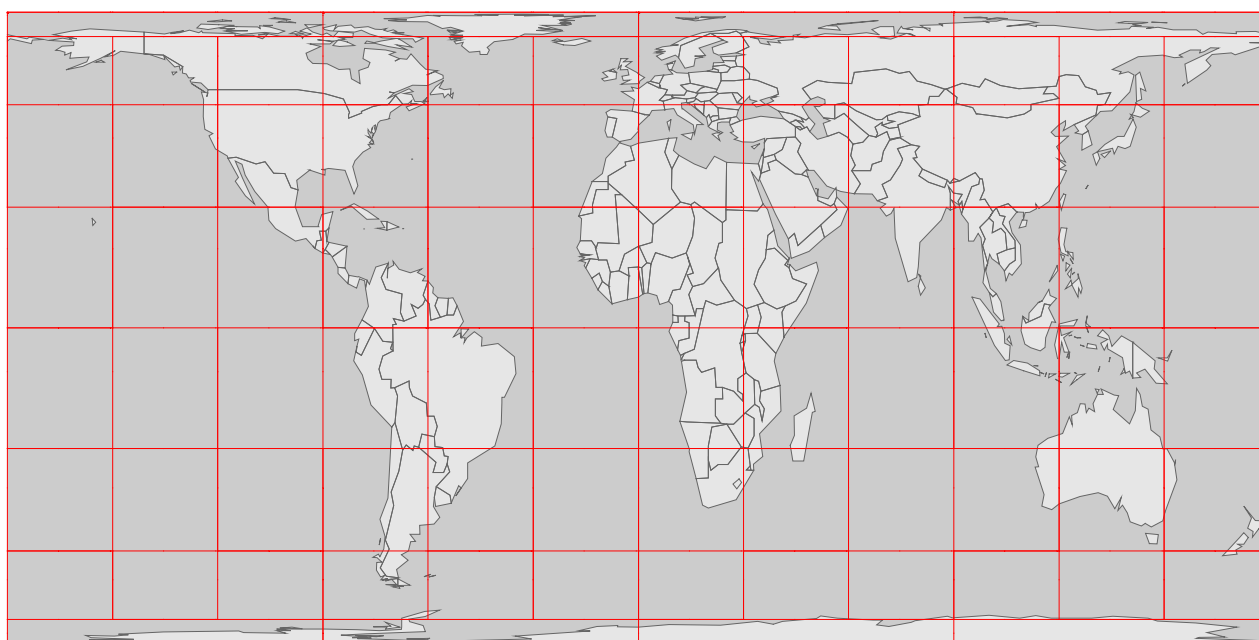

Add longitudes along ekvator and latitudes along Greenwich meridian.

3.

Longitude, Latitude?

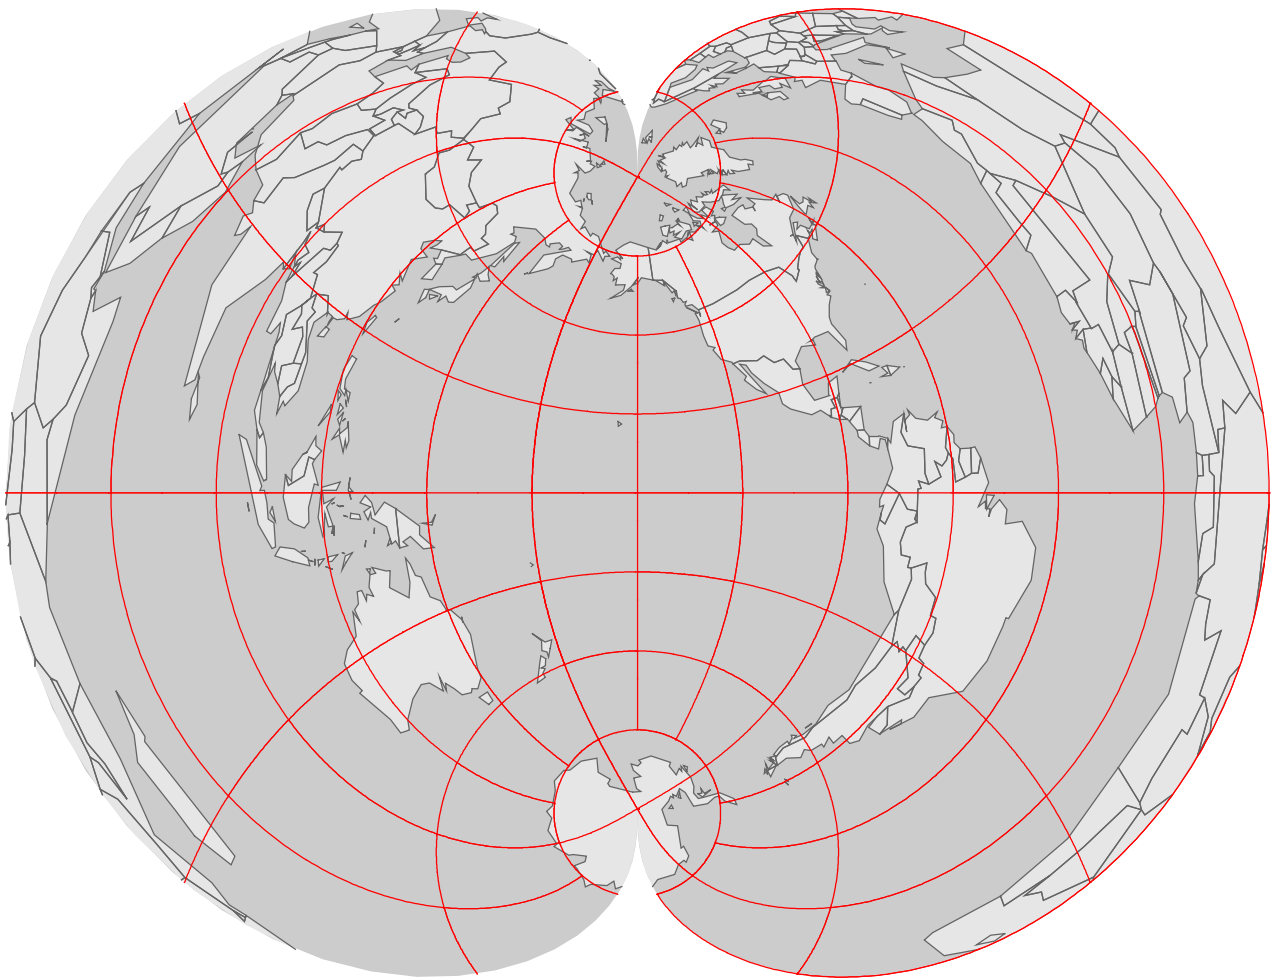

Add longitudes along ekvator and latitudes along Greenwich meridian.

4.

Longitude, Latitude?

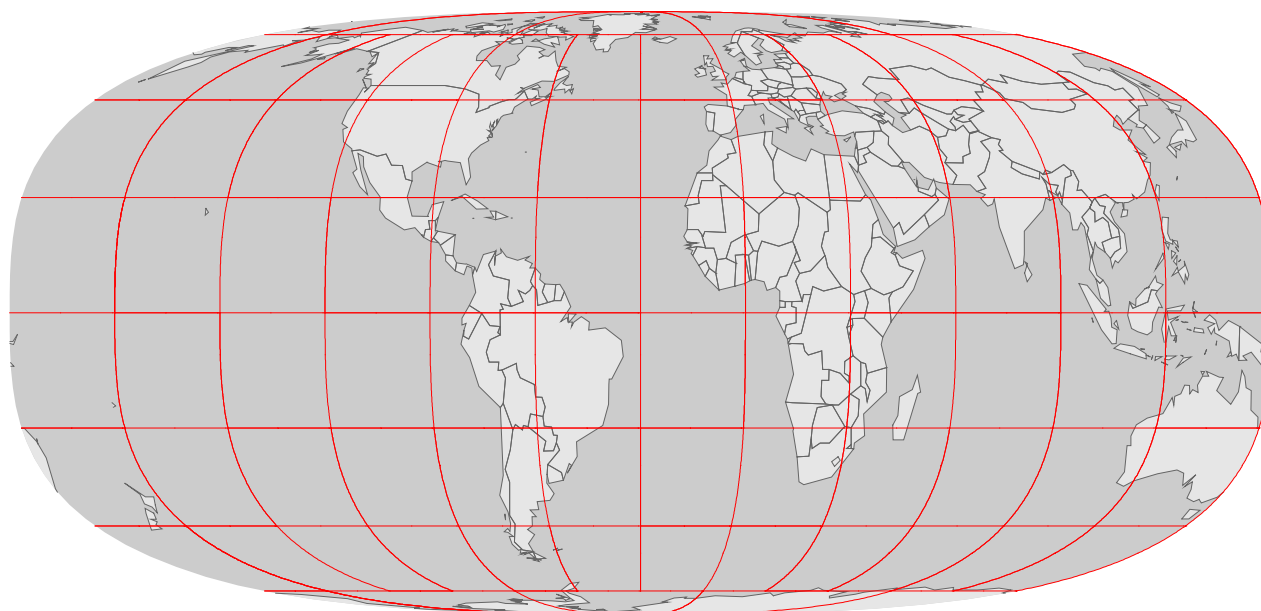

Add longitudes along ekvator and latitudes along Greenwich meridian.

5.

Longitude, Latitude?

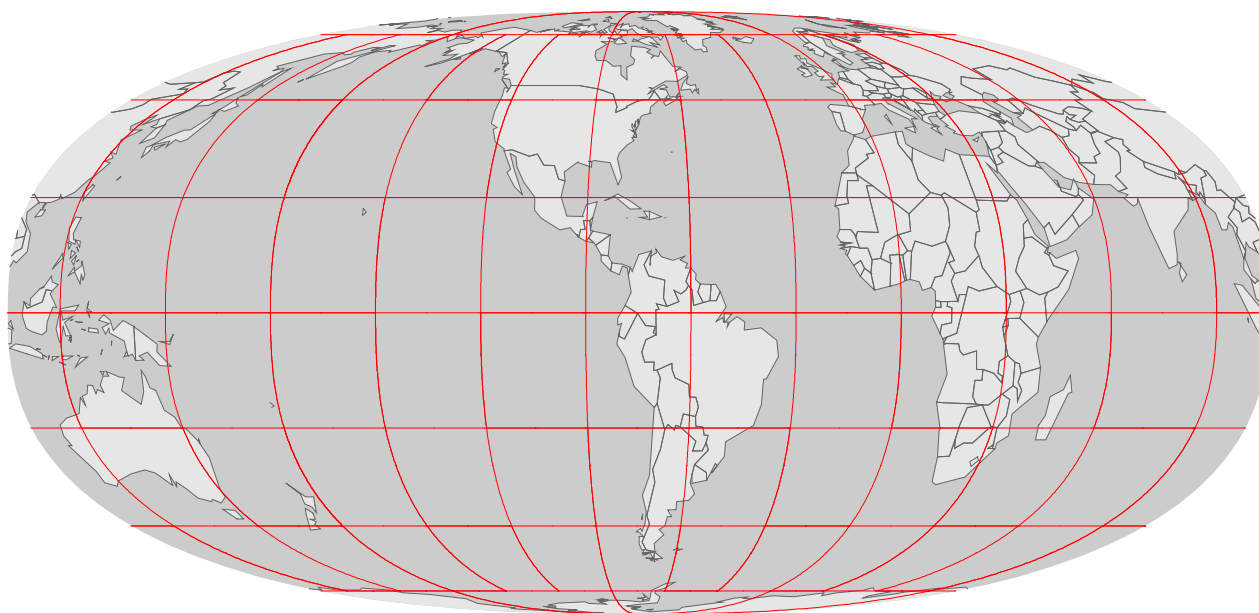

Add longitudes along ekvator and latitudes along Greenwich meridian.

6.

Longitude, Latitude?

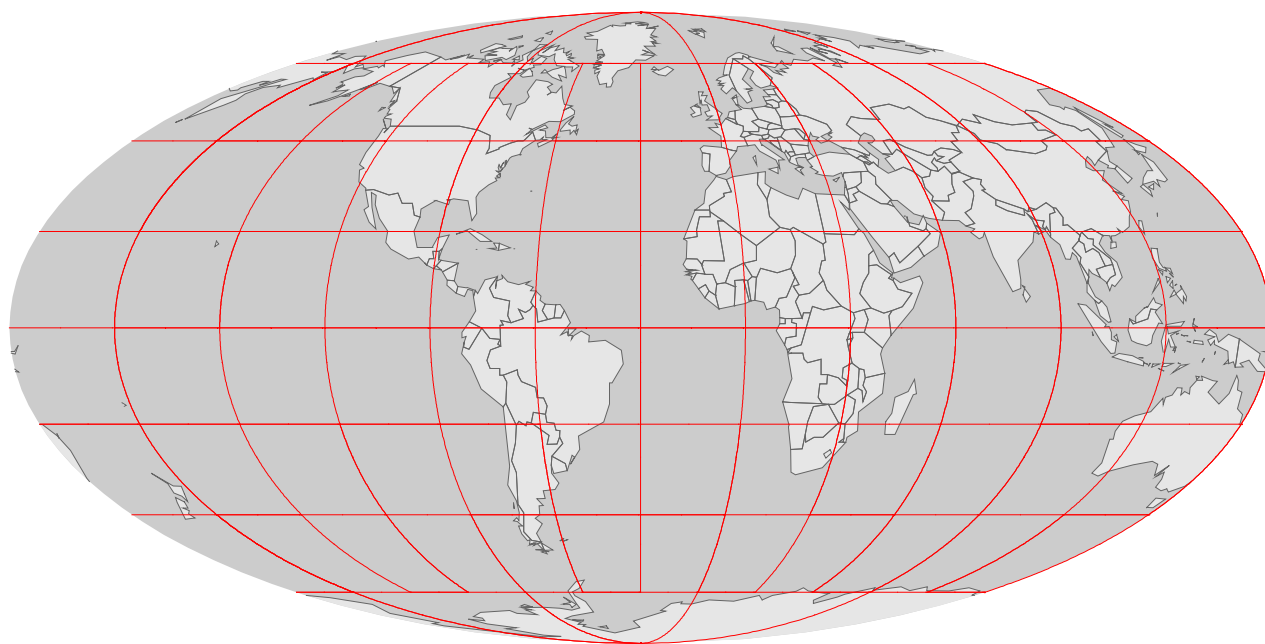

Add longitudes along ekvator and latitudes along Greenwich meridian.

7.

Longitude, Latitude?

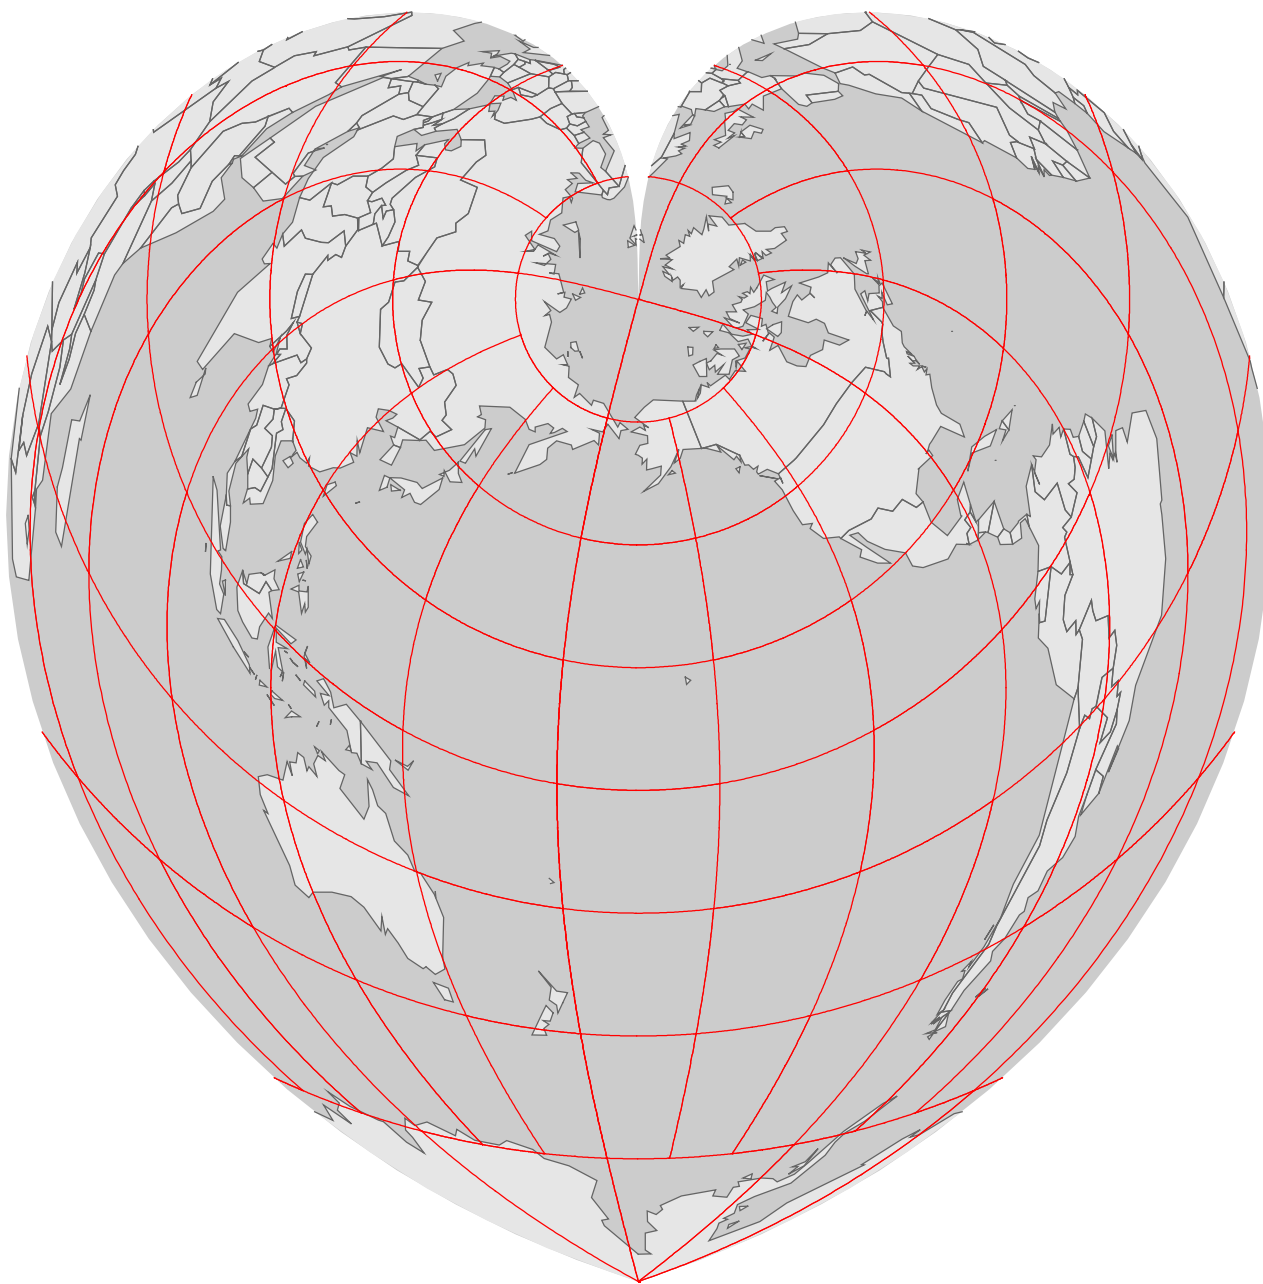

Add longitudes along ekvator and latitudes along Greenwich meridian.

8.

Longitude, Latitude?

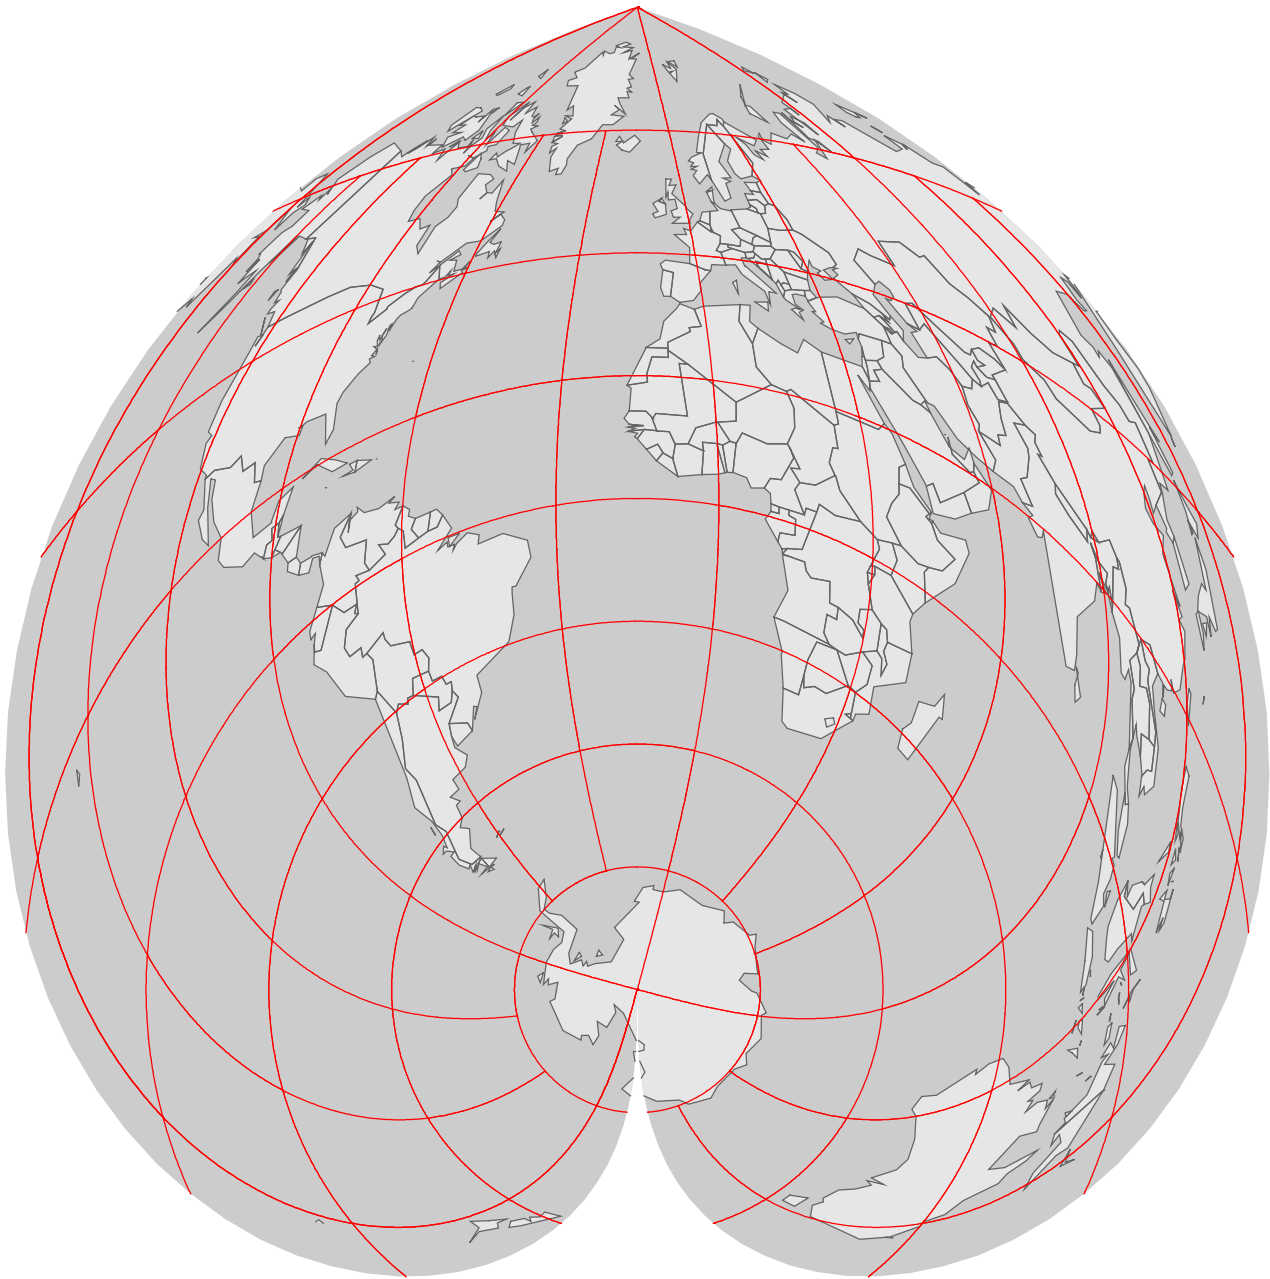

Add longitudes along ekvator and latitudes along Greenwich meridian.

9.

Longitude, Latitude?

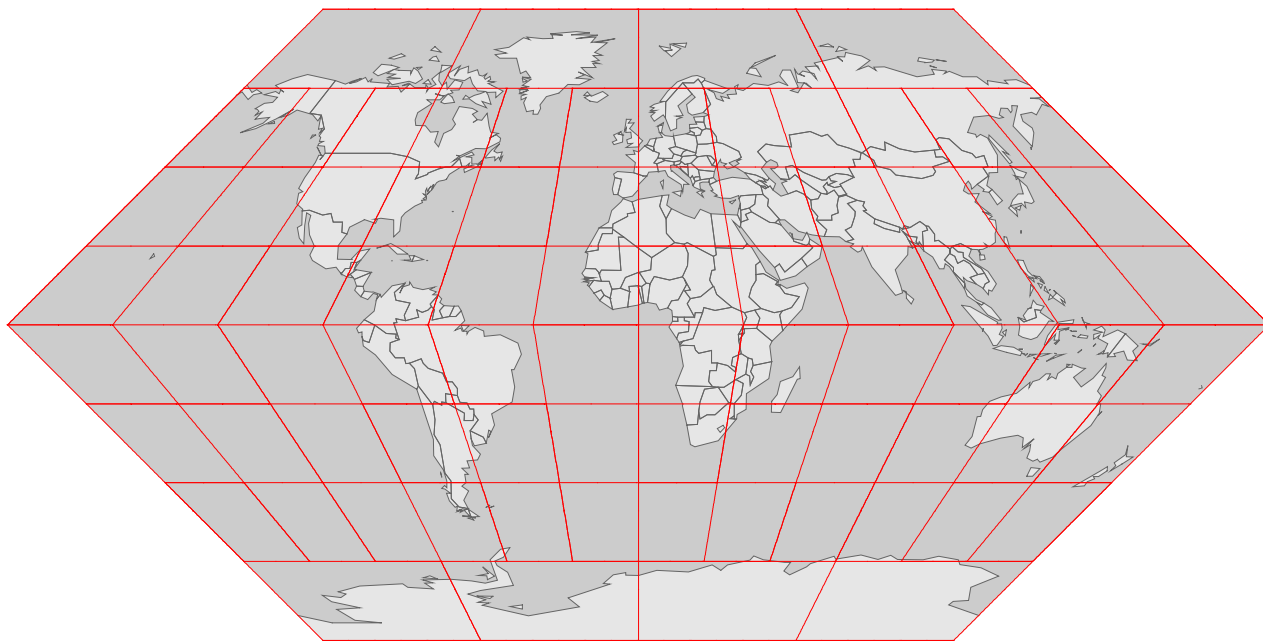

Add longitudes along ekvator and latitudes along Greenwich meridian.

10.

Longitude, Latitude?

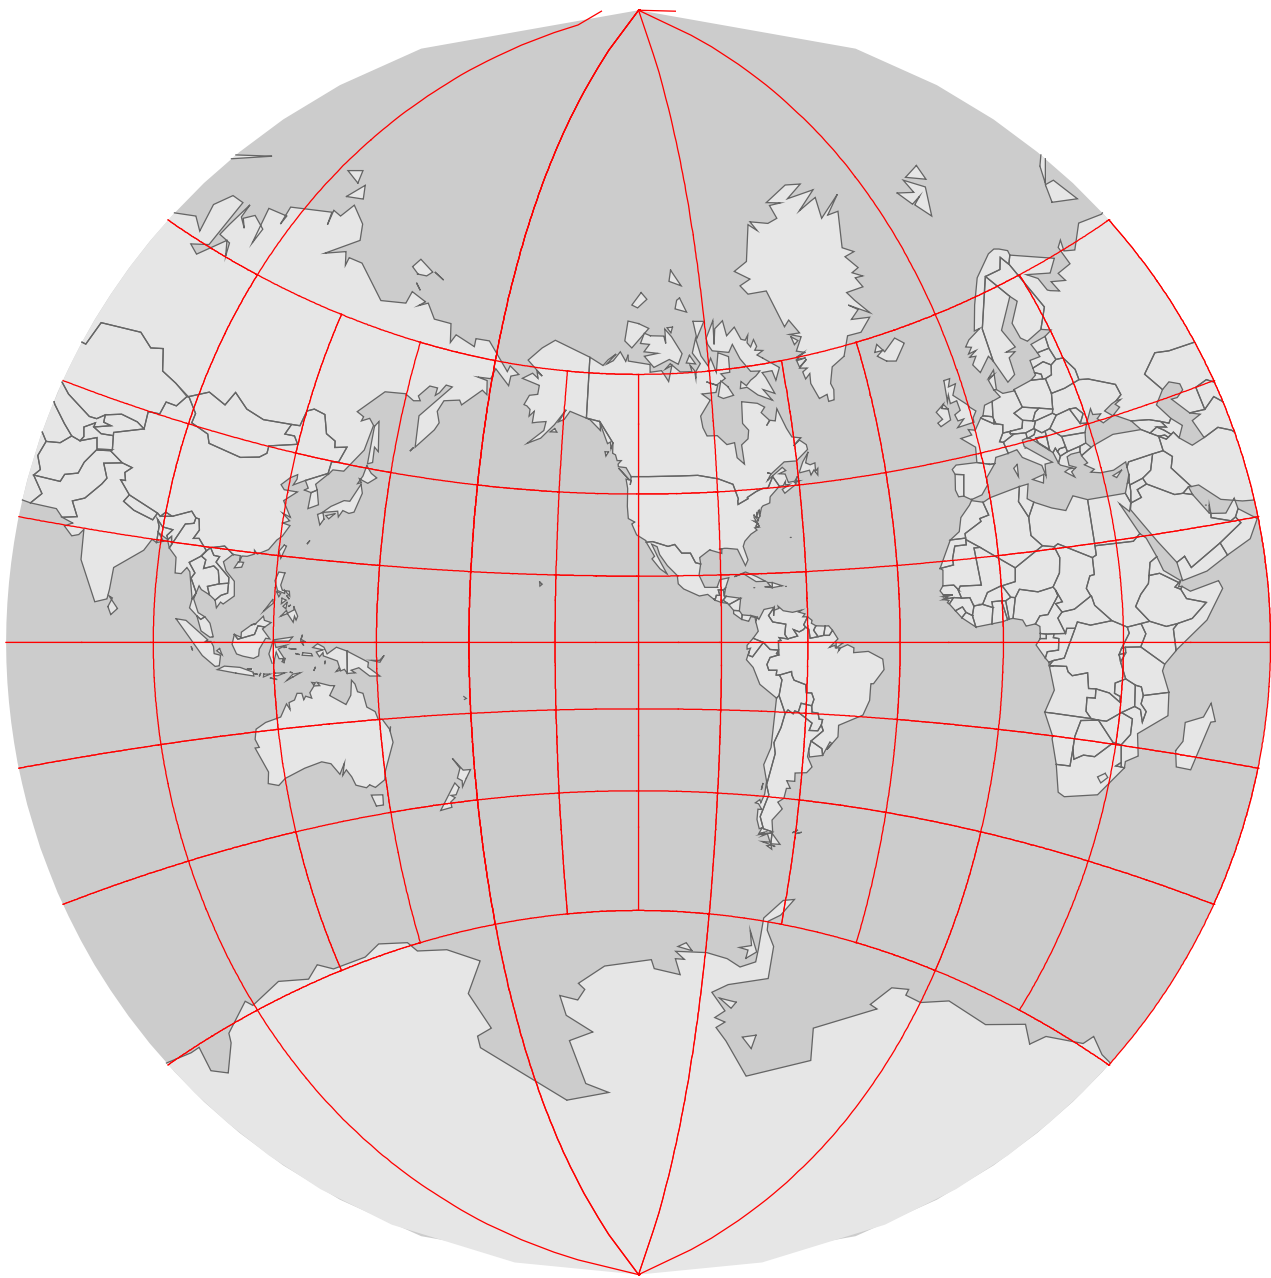

Add longitudes along ekvator and latitudes along Greenwich meridian.

11.

Longitude, Latitude?

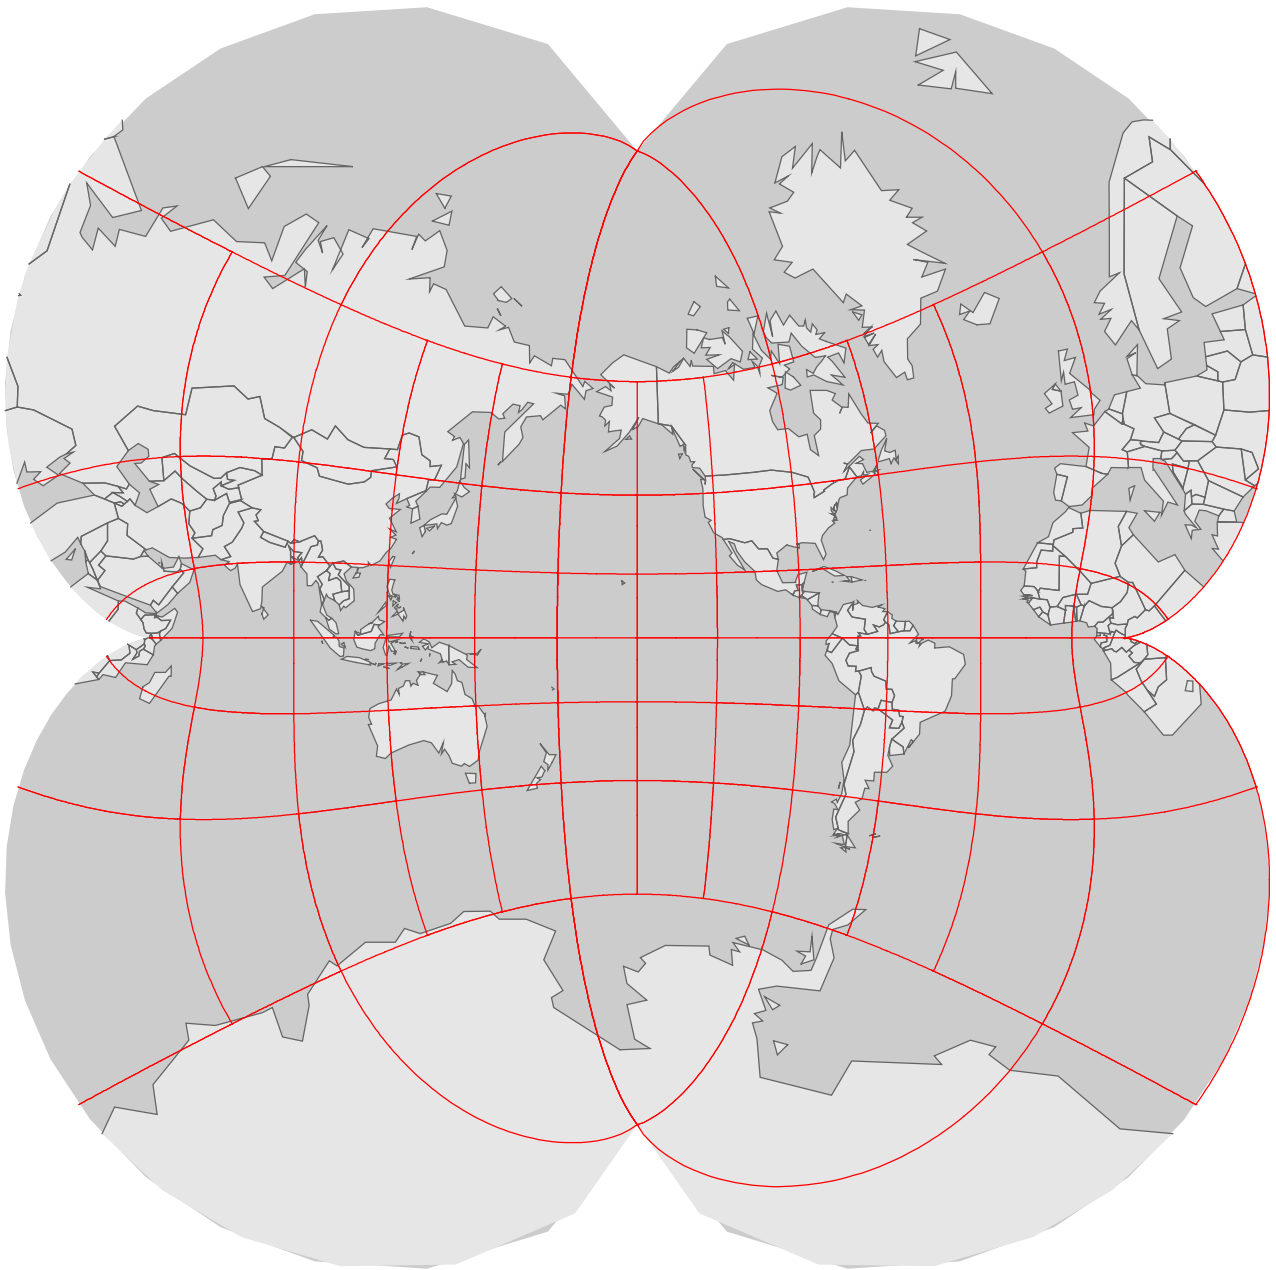

Add longitudes along ekvator and latitudes along Greenwich meridian.

12.

Longitude, Latitude?

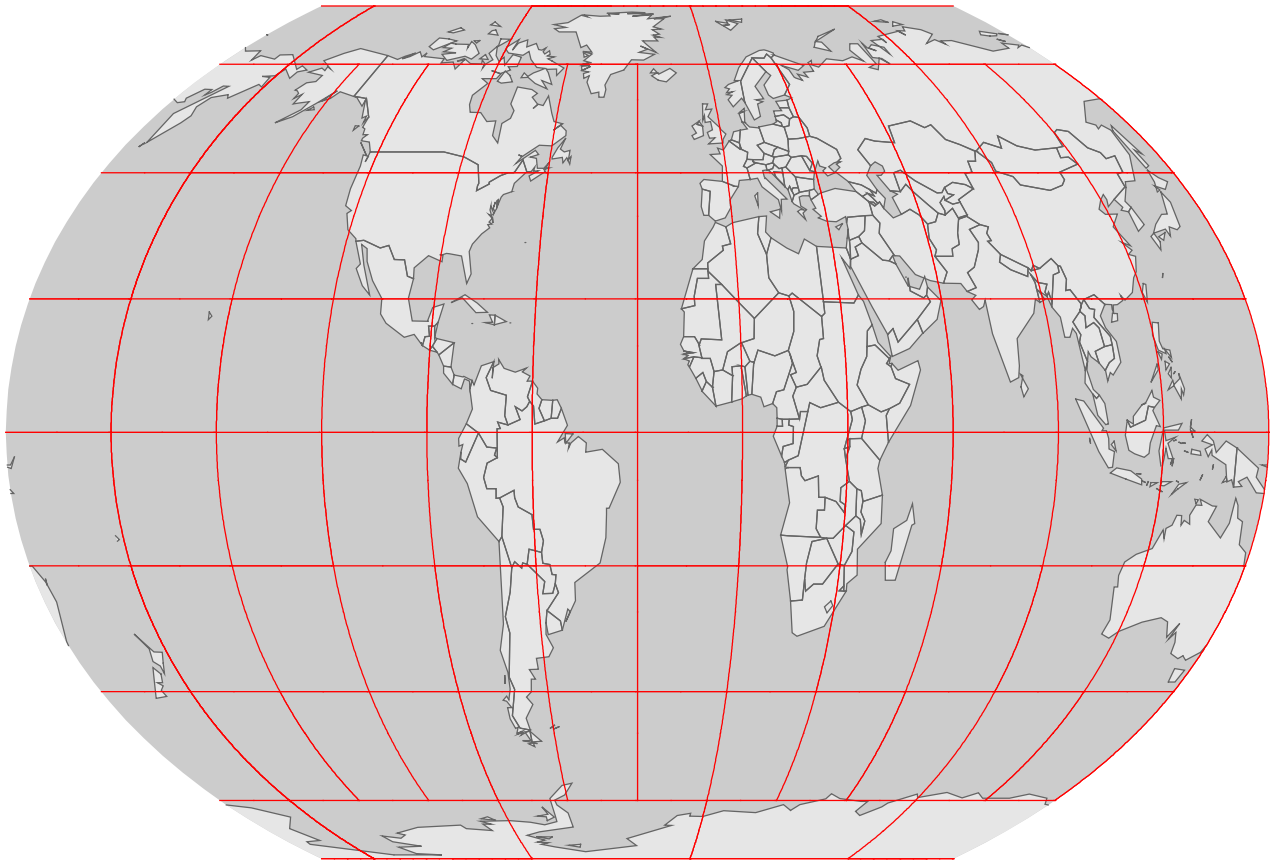

Add longitudes along ekvator and latitudes along Greenwich meridian.

13.

Longitude, Latitude?

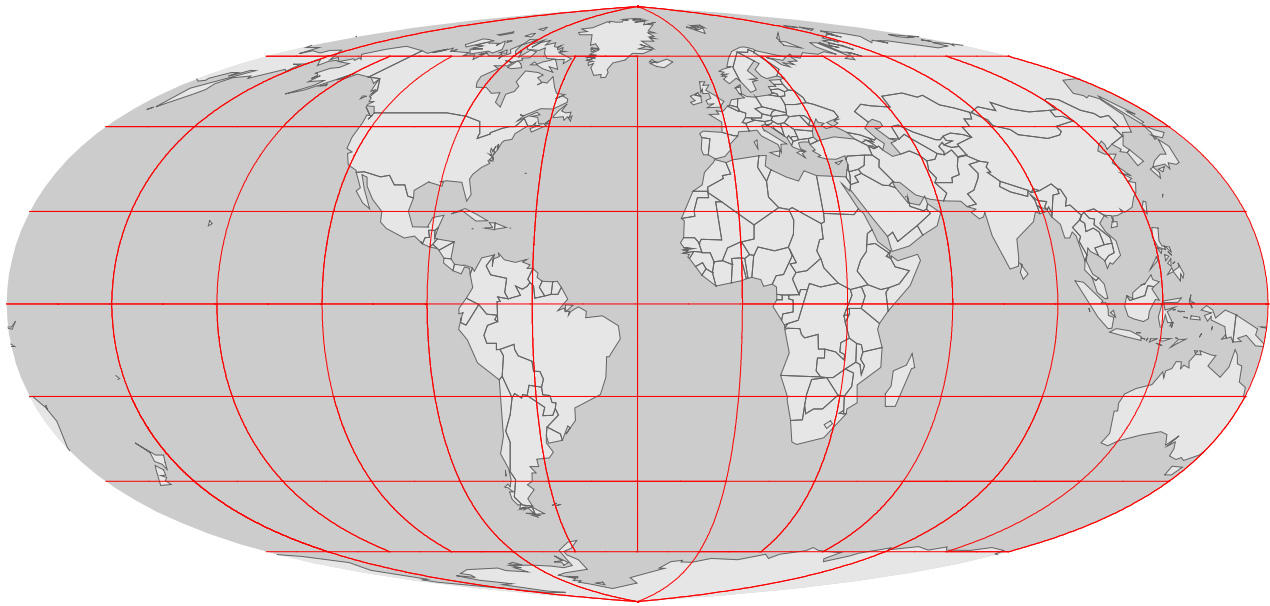

Add longitudes along ekvator and latitudes along Greenwich meridian.

14.

Longitude, Latitude?

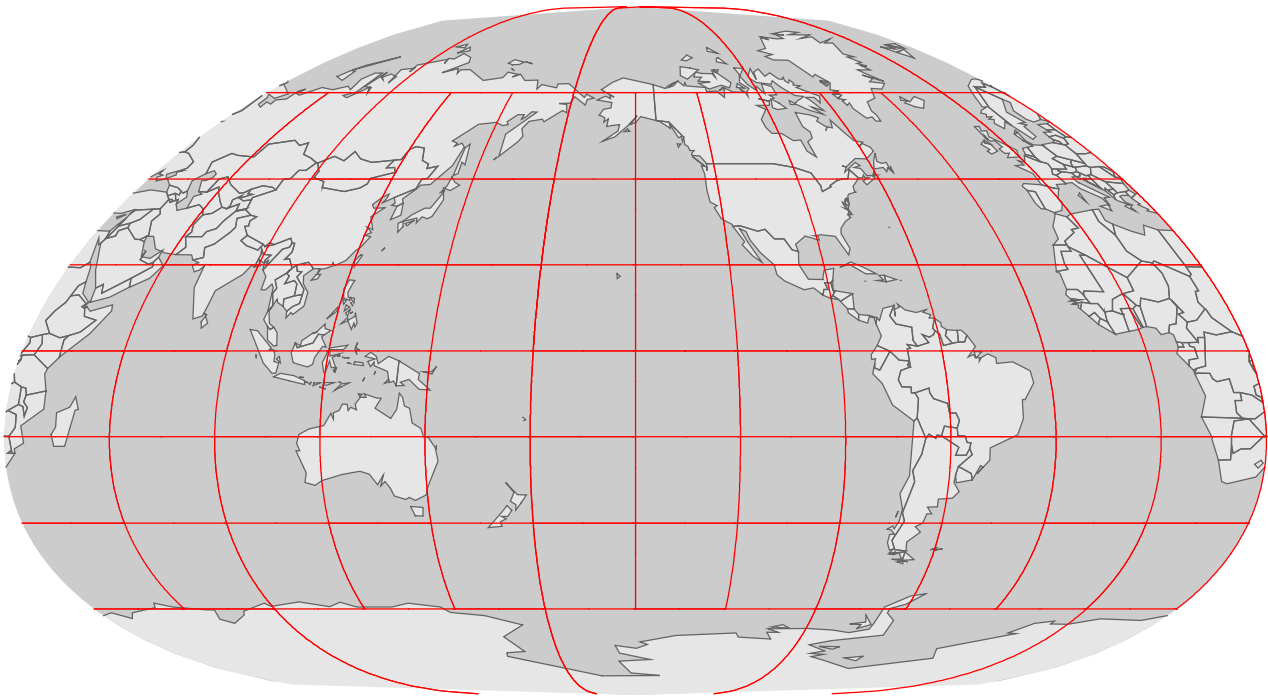

Add longitudes along ekvator and latitudes along Greenwich meridian.

15.

Longitude, Latitude?

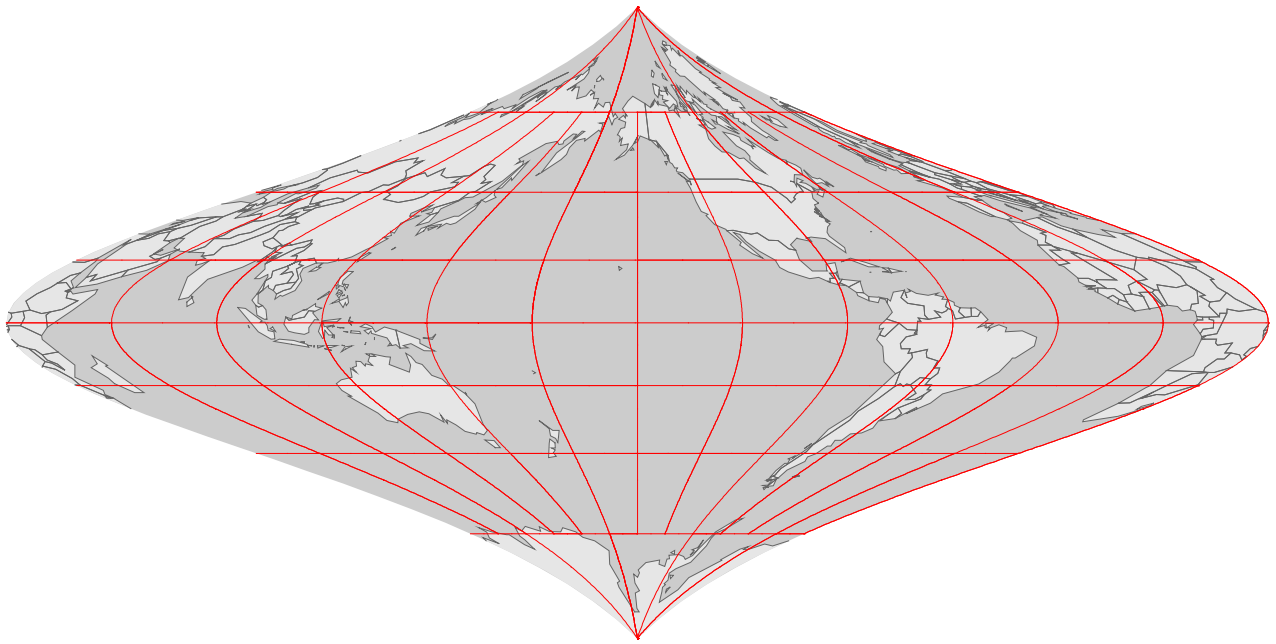

Add longitudes along ekvator and latitudes along Greenwich meridian.

16.

Longitude, Latitude?

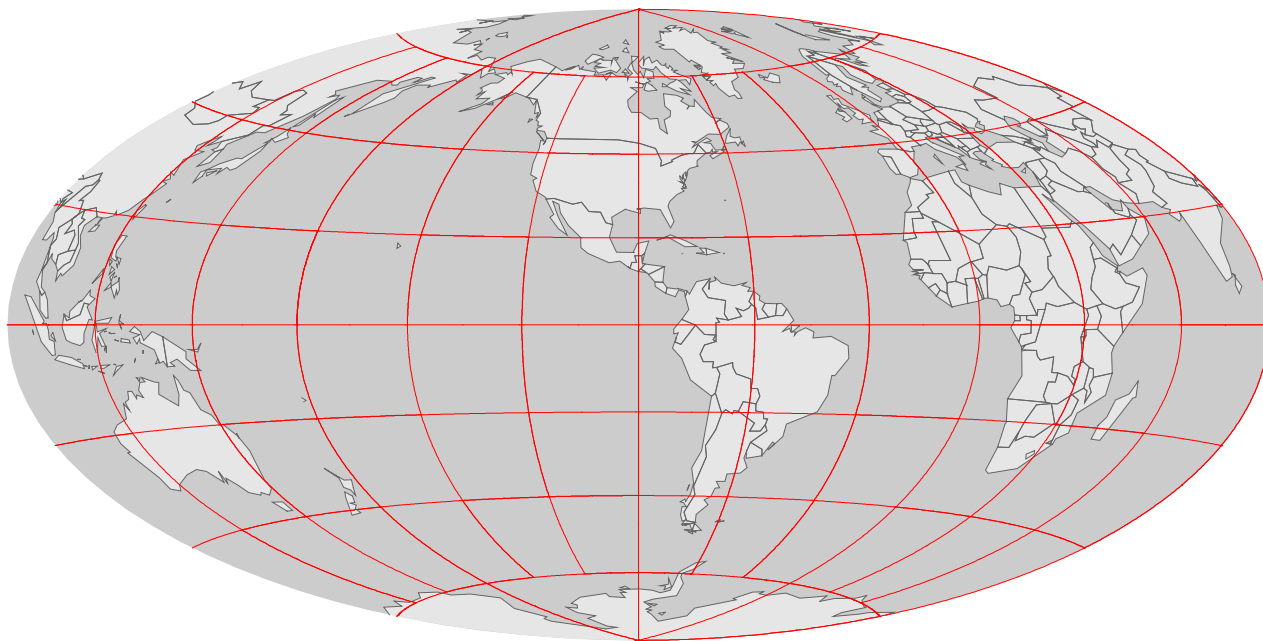

Add longitudes along ekvator and latitudes along Greenwich meridian.

17.

Longitude, Latitude?

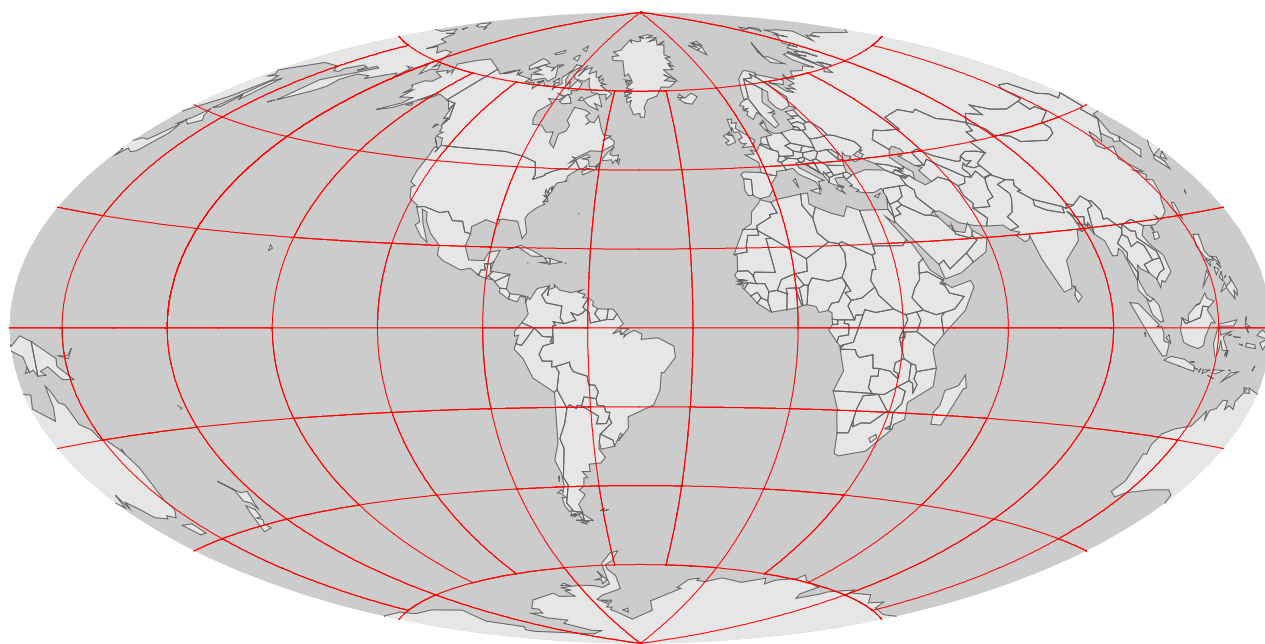

Add longitudes along ekvator and latitudes along Greenwich meridian.

18.

Longitude, Latitude?

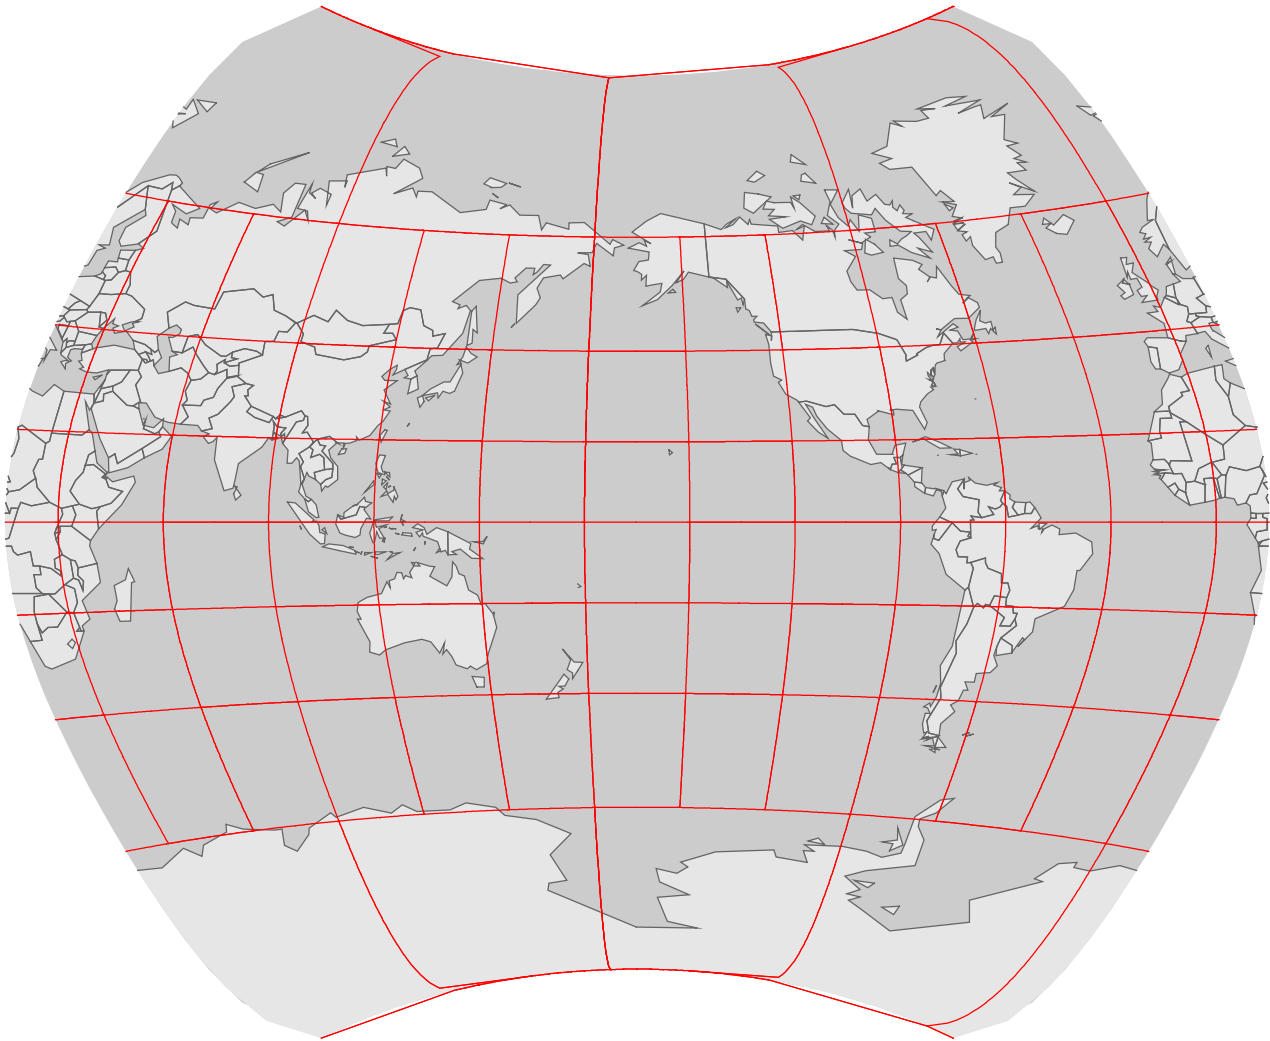

Add longitudes along ekvator and latitudes along Greenwich meridian.

19.

Longitude, Latitude?

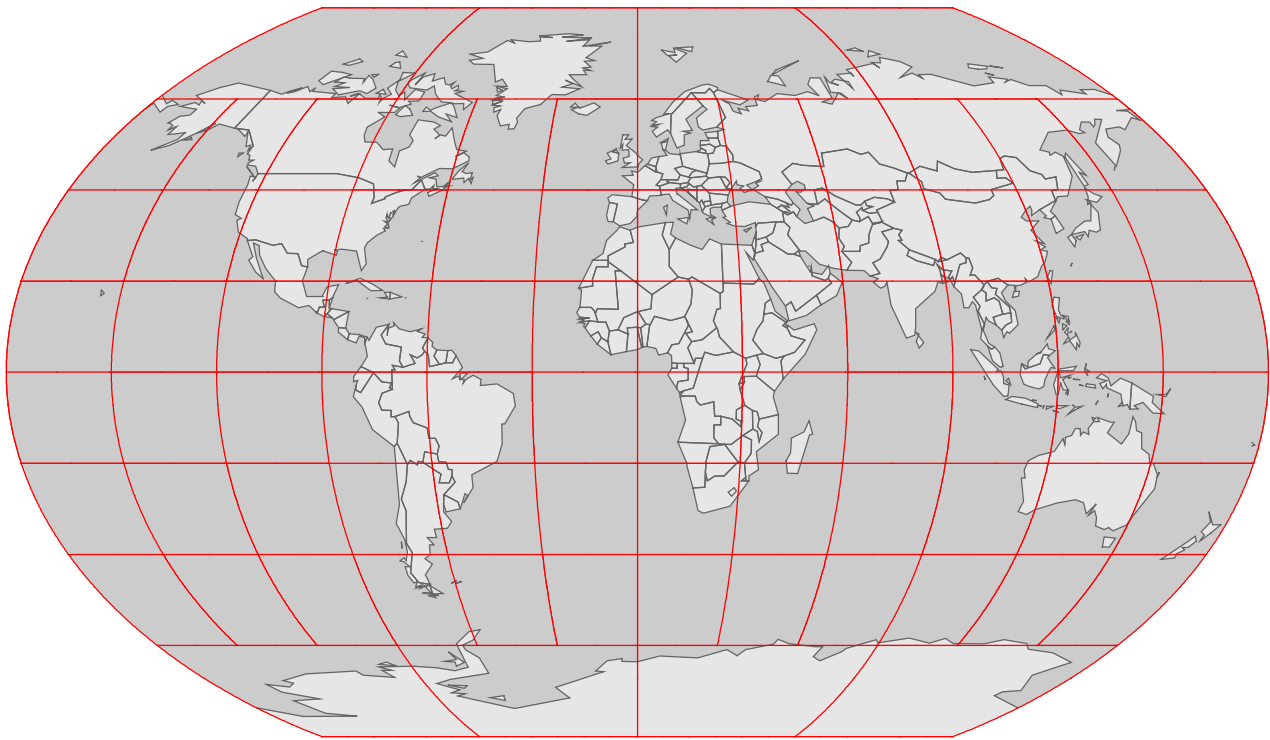

Add longitudes along ekvator and latitudes along Greenwich meridian.

20.

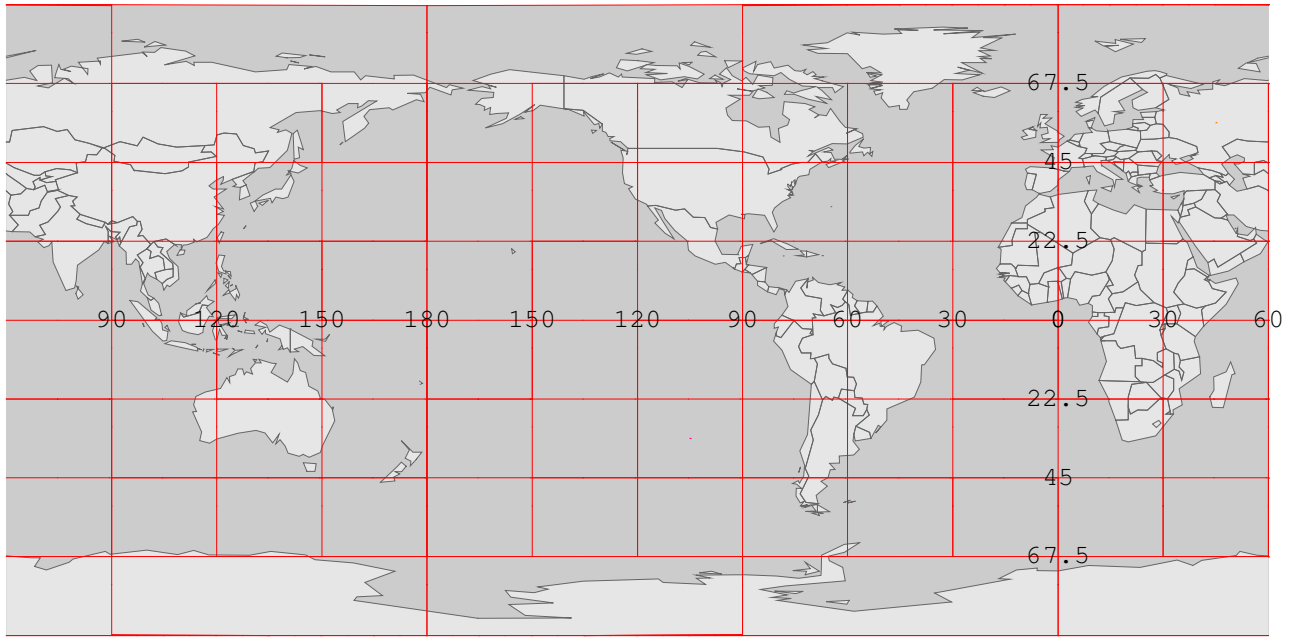

Longitude, Latitude?

Add longitudes along ekvator and latitudes along Greenwich meridian.
